NWU Academic Scholarships

Merit-based scholarships and grants will be renewed each year. In general, there is no GPA requirement for renewal, other than making Satisfactory Academic Progress.

If a cumulative GPA is required for renewal, it should be on the financial aid award letter.

Grades will be reviewed at end of spring semester.

Other NWU Aid

Need-based grants and scholarships:

Must complete the FAFSA and continue to have “financial need” in order to receive.

Students must be enrolled full-time (12 or more credit hours) each semester in order to receive NWU financial aid (scholarships and grants).

Outside Scholarships

Last year, first-year students brought in about $422,000 in outside scholarships.

We will credit the student's account once we actually receive the check. We can include it as pending financial aid if you supply the Financial Aid Office a copy of the scholarship notice that indicates the donor and amount.

If we need to write to the donor to help your son/daughter get their outside scholarship, please give us the contact information.

Outside Scholarships

The scholarship will be automatically split 1/2 to each semester. If the donor does not have any restrictions, you can request us to put the entire amount on one semester if you wish.

If the check is made payable to Nebraska Wesleyan, it must run through our office and be credited to the student's account.

Federal Direct Loans

Need a Master Promissory Note and Entrance Counseling to be completed on https://studentaid.gov/.

First disbursement will be credited to the student's account by the second week of school.

A notice of when the funds are applied to their student account will be sent by the Business Office via email.

Federal Direct Loans

Interest rate for 2025-26 loans was recently set at 6.39%.

The government does assess a loan fee of 1.057%.

Federal Direct PLUS Loans

Information about this financing option is available on our website at

https://www.nebrwesleyan.edu/admissions/financial-aid-office/parents-loan-undergraduate-students-plus.

Can borrow up to the Cost of Attendance less Financial Aid.

This is a credit worthy loan.

Federal Direct PLUS Loans

On the application you will be asked how you want a credit balance (overpayment) situation handled.

For 2024-25, we processed around $2.3 million dollars for about 160 students.

Interest rate for 2025-26 will be 8.94%

Loan fee is 4.228%.
